

## Planning for the Green Gown Awards

### Key Dates

Check dates for Stages 1 and 2 of the application. Recognise the time commitment and plan your approach. Make a timeline with milestones to aim for to complete the different sections. Build in extra time to refine your entry.

### Format

Consider the different elements (e.g., images, logos, videos) you'll need and whether they're essential or optional.

### Word count

Plan how you want to capture your work. You'll reach the word count quicker than you think.

### Support

Have a network of support to help review your application.
